

# NOW RECRUITING FOR FOCUS GROUPS

## WHAT

Fenway Health is recruiting people for a series of focus groups on how to best collect and document information about patients and their identities.

## WHY

The better we know our patients, the better medical care we can provide. We want to make sure we get direct community feedback on the best ways to ask these types of questions.

## VIRTUAL FOCUS GROUPS

**#1: Any Fenway Health patients**

**#2: Trans and gender diverse people**

**#3: \*People born with intersex traits / variations of sex development**

\*This focus group will be facilitated by an intersex person

## COMPENSATION

\$50 for participating in a 1.5 to 2-hour focus group conducted remotely via Zoom
